

# PIRATE'S LIFE CLOTHING REQUIREMENTS

*for dress rehearsal and for each performance*

## All Crews

Please wear all black:

- black pants -- any kind (sweats, jeans, slacks, etc.)
- black shirt -- any kind (but you may get too hot if you wear a sweatshirt)
- black socks
- black shoes -- sneakers, flats, boots -- just so long as they're all black and are "quiet"

No logos, although if you have logos on your shoes there will be black tape to cover them. If you have writing on your shirt, you can turn it inside-out so the writing doesn't show.

Crews will be provided with pirate bandanas.

## All Cast

Cast will be provided with:

- Individual make-up kits for each cast member.
- Costume pieces (pirate shirts, pirate pants, bandanas, sashes)

Please bring the following items to store in your body bag:

- Whatever you need for your hair (brush, curling iron, hairspray, etc.)
- Any additional make-up items not provided in your make-up kit.
- Tight shorts to wear under your costume, such as dance shorts, non-padded bike shorts, or exercise shorts. Can be any neutral color such as brown, navy, black, white, khaki, etc.
- A tight, light-colored tank top or t-shirt that you can wear under your pirate shirt.
- Black or dark brown boots or shoes. Minimal heel. No platforms or chunky soles. No sneakers unless completely black without visible logo. All shoes should be suitable for dancing. A few examples:
